

Instruções para instalação do RStudio

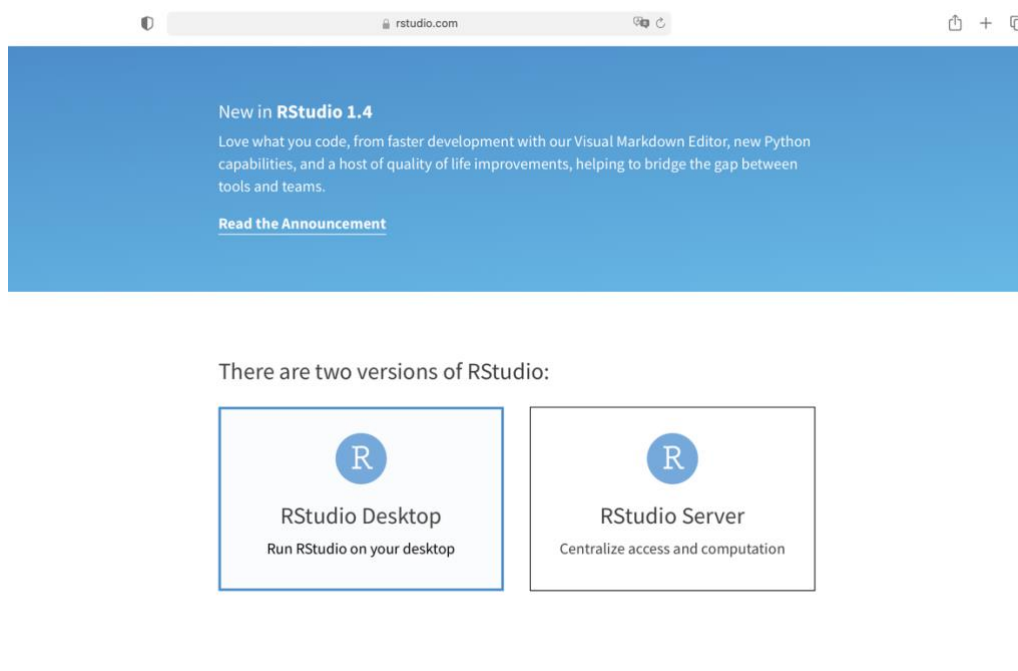

Vá no endereço eletrônico:

<https://www.rstudio.com>

Na tela inicial, clique em Products e escolha a 1ª opção de RStudio em “OPEN SOURCE”.

Role a página até encontrar a versão RStudio Desktop

Escolha a opção “download RStudio Desktop”

The screenshot shows the RStudio website's comparison page between the Open Source Edition and RStudio Desktop Pro. The Open Source Edition is free and uses the AGPL v3 license, while RStudio Desktop Pro is a commercial license costing \$995/year. The Pro version includes priority support, 8-hour response time, and access to RStudio Professional Drivers. Both versions offer integrated tools for R, syntax highlighting, and code completion.
